Foreword

"What's the use of being a King without a Queen?"

—American Vaudeville Colloquiallism.

ON the great chessboard of Life we are all, now, severally and potentially, lone Kings and Queens. But some time, in the not too distant future, the Kings and Queens will ally their forces. Then, will pawns, knights, bishops and mighty rooks sweep the board—but always under the guardian eye of King and Queen.

At that time will we turn a lingering glance back to these days—and it is our hope, then, that we, the staff of the Blackhawk Year Book, 1926, shall not have toiled in vain—and that this little volume may mirror, as it were, the happy times enjoyed during our leisurely sojourn in Davenport High School.

General Course.

ETHEL KRUMBHOLZ ..... "Jeff"

"Underneath all, a heart of Gold"

General Course; G. A. C. Track '23, '24, '25; Basketball '23, '24.

The Juniors

The Junior Class

IT was not until almost the close of the first semester that the Class of '27 became an organization. The election of president resulted in a very close contest, Cable defeating Waterman by a margin of only a few votes. The class officers are: Wyatt Cable, President; William Waterman, Vice-president; Virginia Wingert, Secretary; and Marjoridel Hubers and Keith Mason, Treasurers.

The Juniors have been prominent in the activities of the school and their individual fetes have been noteworthy. The Basketball dance and the Junior Prom were well up to the standard and showed the work of a very active class.

May they rise still higher and gain a position as Seniors, as high as that held by the Class of '26.

Junior Class

President ..... Wyatt Cable
Vice-president ..... William Waterman
Secretary ..... Virginia Wingert
Boys' Treasurer ..... Keith Mason
Girls' Treasurer ..... Marjoridel Hubers

The Social Calendar

1925 - 1926

Football Dance	December 4
Basketball Dance	March 26
Senior Hop	April 30
Junior Prom	June 4

Society

SOCIETY experienced a most successful season. Because of the small number of school dances they are eagerly awaited. Each dance was most attractive as to the decorations, attendance, and conduct of those attending.

The football dance was a huge success for the Senior class. The basketball dance was indeed a credit to the Juniors as was their Prom, the last dance of the school season. For the first time in history the Seniors sponsored a Hop. By its success may it be said that the Class of '26 has established more than one precident.

BEHIND THE D. H. S. WINNING TEAMS

DAY ROSING BORNHOLT

BRIDGE TRUMBO

FOOTBALL

✣ ✣ ✣

AT the outset of the last football season, Coach Day's initial call for candidates was answered by a squad of nearly four-score. This was undoubtedly the largest squad that has ever turned out for football at D. H. S. Out of this group Coach Day had six stellar performers from last year's squad: Captain Brookhart, Cable, Mosier, Mastrogany, Wilhelm and Hakendorf. The first five named landed on the Tri-City dream team.

Coaches Day and Trumbo drilled their squad for over three weeks in preparation for the opening clash of the season which was with Columbus Junction at the Junction City.

On September 26th, the local aggregation traveled down state where it met the Junction outfit on a muddy field. The game was a listless one but in the final period with only fifteen seconds to spare, Hakendorf nabbed an opponent pass and scampered 40 yards for a lone touchdown. The win was a fine start for the season but it must, to some degree, be credited to Dame Fortune.

The following week saw the opening of the new D. H. S. stadium, now properly called the Public Schools Athletic Field, which was the battle ground for the Galesburg clash. The Illinois team came here with a strong outfit but were vanquished with a 12 to 0 score. The encounter was a wet one throughout, and owing to the soggy condition of the newly sodded gridiron, play of the best sort was lacking, and, too, it was only the second game of the season. Whether the day was wet, dry, hot, or cold, the game was a memorable one, as it marked the dedication of a long-looked-forward-to stadium, and the victory will always stand out as a headliner in Red and Blue sport annals.

Washington furnished Davenport with opposition on October 10th, the former entertaining Captain McConnel and his men put up a stiff fight, and when the final shot of the timekeeper's gun was heard, neither team had scored. This game was immediately forgotten and work began for the Dubuque tussle which came next on the local schedule.

On October 17th, Coach Day and his men enjoyed an open date and were guests of the University of Iowa at the Hawkeye Homecoming.

Davenport went up river to take on Dubuque and playing on a muddy field was defeated by the small margin of 3 to 0. Even though defeated the Davenporters played well and had they not held in the pinches the score might have been larger.

North Des Moines came to Davenport on the 31st of October and took a hard fought game, 6 to 0. The day was ideal for football but the field was not. Frequent fumbles occurred and the attacks could not get under way on account of the slippery ground. The touchdown came in the third quarter when "Davy" Jones, the North Captain carried the ball over from the 30 yard line. This was the last downfall that the locals suffered.

Playing in a field of snow, Coach Day's men came, saw, and conquered at Iowa City on November 7th, when they downed the "Little Hawks," 7 to 0. In this clash Hartman broke into the scoring column and he also came to the front as a real ball-toter. From this time on until the end of the season, the D. H. S. warriors were not to be denied.

On Armistice Day at Douglas Park, Davenport and Rock Island battled. The Red and Blue entered the fray doped to lose. When the final whistle had sounded and the smoke of battle cleared away Captain Brookhart and his men had amassed a total of 33 to the Islanders 0. By virtue of this win over Rock Island and the Islanders win over Moline, Davenport may rightfully claim the title of Tri-City Champions.

The next game with Muscatine at the local field and Davenport continued on its rampage by downing the "Muskies," 30-0. In this counter the Red and Blue opened up with an air attack that completely baffled the Pearl City boys.

Bringing the season to a close on Thanksgiving the D. H. S. gridders walked off with a 25-6 victory over Clinton. Wallace, Red and Black Captain was the second grid leader to cross the Davenport goal line. This game ended the season with a total of one tie game, six victories and two defeats.

The coming season will find tough opposition to be faced by D. H. S. However it is expected that Cable and his men will be able to come through with the goods.

Besides Cable on the line there will be good prospects in Cantwell and Hutchinson who are men of two years experience in the game. While the flash of the backfield of two years ago when Armil was in the lineup, will be lacking, nevertheless a good steady set of backs will in all probability be ready to do the running.

Captain Brookhart, who played such a great game at back last year may be back to bolster up the backfield.

The 1925 Football Schedule

Davenport	**6**	**-**	**Columbus Junction**	**0**
Davenport	**12**	**-**	**Galesburg**	**0**
Davenport	**0**	**-**	**Washington**	**0**
Davenport	**0**	**-**	**Dubuque**	**3**
Davenport	**0**	**-**	**North Des Moines**	**6**
Davenport	**7**	**-**	**Iowa City**	**0**
Davenport	**33**	**-**	**Rock Island**	**0**
Davenport	**30**	**-**	**Muscatine**	**0**
Davenport	**25**	**-**	**Clinton**	**6**
Total	**113**			**15**

CAPTAIN BROOKHART .....FULLBACK

Buck, as Captain of last season's team, has been the outstanding Red and Blue player for the last two years. He has great ball toting ability and is a tower of strength on the defense. Time after time it was "Buck" who was called on to put the ball over and he seldom failed. As Captain, Buck showed wonderful leadership qualities and always had a word of encouragement for his players.

CAPTAIN-ELECT CABLE .....FORWARD

The choice for next year's football leader is popular with faculty, players and everyone else concerned. "Whitey" plays a consistent game although it is not a flashy one. He often breaks up plays before the opposing interference has formed and he is the main cog for the defense. Under his leadership D. H. S. is promised a very successful season. So "Lets see you go, Whitey!"

MERTON .....END

Merton at end on the Red and Blue machine of 1925 was one of the most valuable members of the squad. His hard fighting and consistent performances helped greatly to keep the D. H. S. machine in fighting trim.

HARTMAN .....HALFBACK

"Dick," playing his first season of High School football displayed the ability of a veteran. He is a consistent line plunger and a fine open field runner and he knows how to follow his interference.

MOBURG.....GUARD

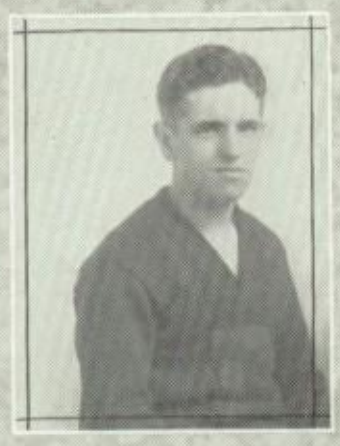
Moburg played a consistent game throughout the whole season. His defensive work, was especially brilliant in its spectacular blocking of line plunges.

RODDEWIG.....END

"Dutch" was a consistent drop-kicker. He played a strong defensive game and the opposing backs were often thwarted in their attempts to gain around his end. He was also on the receiving end of many of the Red and Blue forward passes.

MASTROGANY.....TACKLE

"Gus"had a good football stature and he used it to a good advantage. He possesed a lot of strength with which to stop plays and open holes. He is a dependable player who keeps a cool head in case of a crisis.



ALEX .....HALFBACK

"Art" was the smallest man on last season's outfit. He was a wonder at finding the holes and he was a clever field runner. He had the ability of a quick change in stride which made it hard for the opposition to dope. "Art" will be greatly missed next year.

WAGNER.....HALFBACK

"Gene" was handicapped early in the season due to illness but nevertheless he soon rounded out into great form and proved himself a great value to the team both on the offense and on the defense. When "Gene" hit the line it usually resulted in a gain for the Red and Blue.

SHAIN.....CENTER

Shain at the pivot position on the 1925 squad was practically a fixture. His great defensive work was responsible for many a hostile play failing. His loss will be keenly felt next year.

HACKENDORF.....TACKLE

"Molly's" weight and shiftiness helped much to strengthen the Red and Blue forward wall. He was named as one of the best guards in the state and it is certain that the opposition did not relish meeting up against him.

BASKETBALL

THE basketball season of 1925-'26 proved to be a fairly successful one for the D. H. S. cagemen. From a large squad Coach Bornholdt whipped into shape a team that won thirteen out of twenty games.

The opening game of the season was on the local floor, the J. B. Young Intermediate gymnasium. The Red and Blue showed good form when they beat Wilton in good style. They also took Geneseo on for a trimming the same night.

The next week, however, spelled defeat for the D. H. S. basketeers. They journeyed up the river and met the classy Savanna five.

The cagers next journeyed to Aledo and experienced little trouble in downing the Aledoites.

Rock Island put the first real thorn in Davenport by staging a last minute rally and beating the Red and Blue. Davenport had maintained the lead during almost the entire play. The feature of the game was the aggressiveness shown by both teams. The team was shown little or no opposition the following Friday when they cleaned house on Iowa City to the tune of 26-5. The spirit of victory ended abruptly when Oskaloosa nosed out D. H. S. 13-16. Muscatine followed suit and beat the locals on our own court 21-22. The game was fast throughout but Davenport lacked the final punch to put the game on ice.

Rock Island was the Red and Blue's next opponent. The Islanders were doped to win this fray by virtue of their previous win over the Red and Blue. The battle was fast and furious, both sides fouling frequently. During the last two minutes of the game the score was tied and just as the final gun sounded, Math, D. H. S. center, was fouled and he dropped in the winning counter.

Captain Mosier next led his basketeers to Galesburg but found them too tough a nut to crack as the game ended 28-16 in favor of Galesburg. Clinton came down here with a fine team and duplicating their last year's trick emerged the victors by a score of 13-22.

At this point in the season the D. H. S. cagers showed a decided improvement by winning the next eight games and dropping the final one to the team which afterwards proved to be state champion.

Geneseo was the first victim by a score of 36-19. The Red and Blue then turned the tables on the Button City lads and beat them 25-15. Davenport almost duplicated the Muscatine score by trouncing the classy Dubuque five 24-15. The "Dubs" were doped to win this game but the locals secured an early lead and maintained it throughout the game.

The crew was now hitting a fast pace, so fast indeed that the Alumni composed of ex-D. H. S. stars, such as Rath, Johns, Wilhelm, Eggert and Thomas were beaten 35-19. Coach Bornholdt entertained the crowd after the game by staging a dance on the J. B. Young floor. A good time was had by all.

Then came the Muscatine Sectional Tournament. Davenport went through the first three games in fine shape defeating Wilton, Iowa City and Muscatine, respectively. The last game of this series proved the most interesting of the series. The game was fast and much clever floor work was displayed. Muscatine led until the final twenty seconds of the play when Davenport dropped a basket and cinched the tournament title.

A week later came the district tourney at Centerville with keener competition, following the weeding out many of the mediocre teams in eastern Iowa. Davenport succeeded in downing Oskaloosa but Newton (State Champions) proved a bit too clever and fast for the local boys. The game however was well contested as the score indicates, 26-18. This put D. H. S. out of running but the boys felt some consolation in being put out by the state champs.

After the close of the 1925-26 season, Coach Bornholdt for the last fourteen years basketball Coach at D. H. S., handed in his resignation to the High School Athletic Board. Mr. Bornholdt has been with the school a long time and we feel some consolation in that he will still remain with us as Athletic Manager.

"Newts" is a bit bashful about telling about the days when he used to play football and basketball for the Red and Blue. He was a terror to his opponents on the gridiron and he played a wonderful game of basketball.

We hate to lose "Newts" but we feel sure that he knows which is best for both he and the school.

Davenport is again bent on defeating Rock Island, her traditional rivals. While the cross the river lads have no definite promise of a good team, nevertheless, a battle royal is looked for when the two teams meet.

The 1925 Basketball Schedule

Davenport 23	**Wilton**	**10**
Davenport 35	**Geneseo**	**6**
Davenport 19	**Savanna**	**28**
Davenport 31	**Aledo**	**8**
Davenport 31	**Rock Island**	**32**

Davenport 24	**Dubuque**	**15**
Davenport 35	**Alumni**	**14**
Total 428		**269**

THE CAPTAIN

MOSIER ..... FORWARD

"Walt," by playing his third and last year at D. H. S. has made himself well known throughout the state. He played a fine floor game and he used good judgment in leading his mates on the offense. He proved a good leader with his teammates.

TOFANELLI.....FORWARD

"Tuffy" was a steady, dependable and consistent player who played his first season of high school basketball during the past season. It was his excellent knowledge of floorwork that enabled him time after time to slip by his opponents and chalk up another marker for the Red and Blue.

STROHM .....FORWARD

"Jerry" played a fast floor game for the Red and Blue. He was a sure shot with the free throws. His lack of heighth did not materially check his work but helped him prove more elusive.

MATH .....CENTER

At the finish of the season Math was rated as one of the highest scorers in the Tri-Cities. He proved himself one of the main cogs in the Red and Blue offense. He handled the ball well and was a good man to pass to. He was also consistent and steady.

MAHER.....GUARD

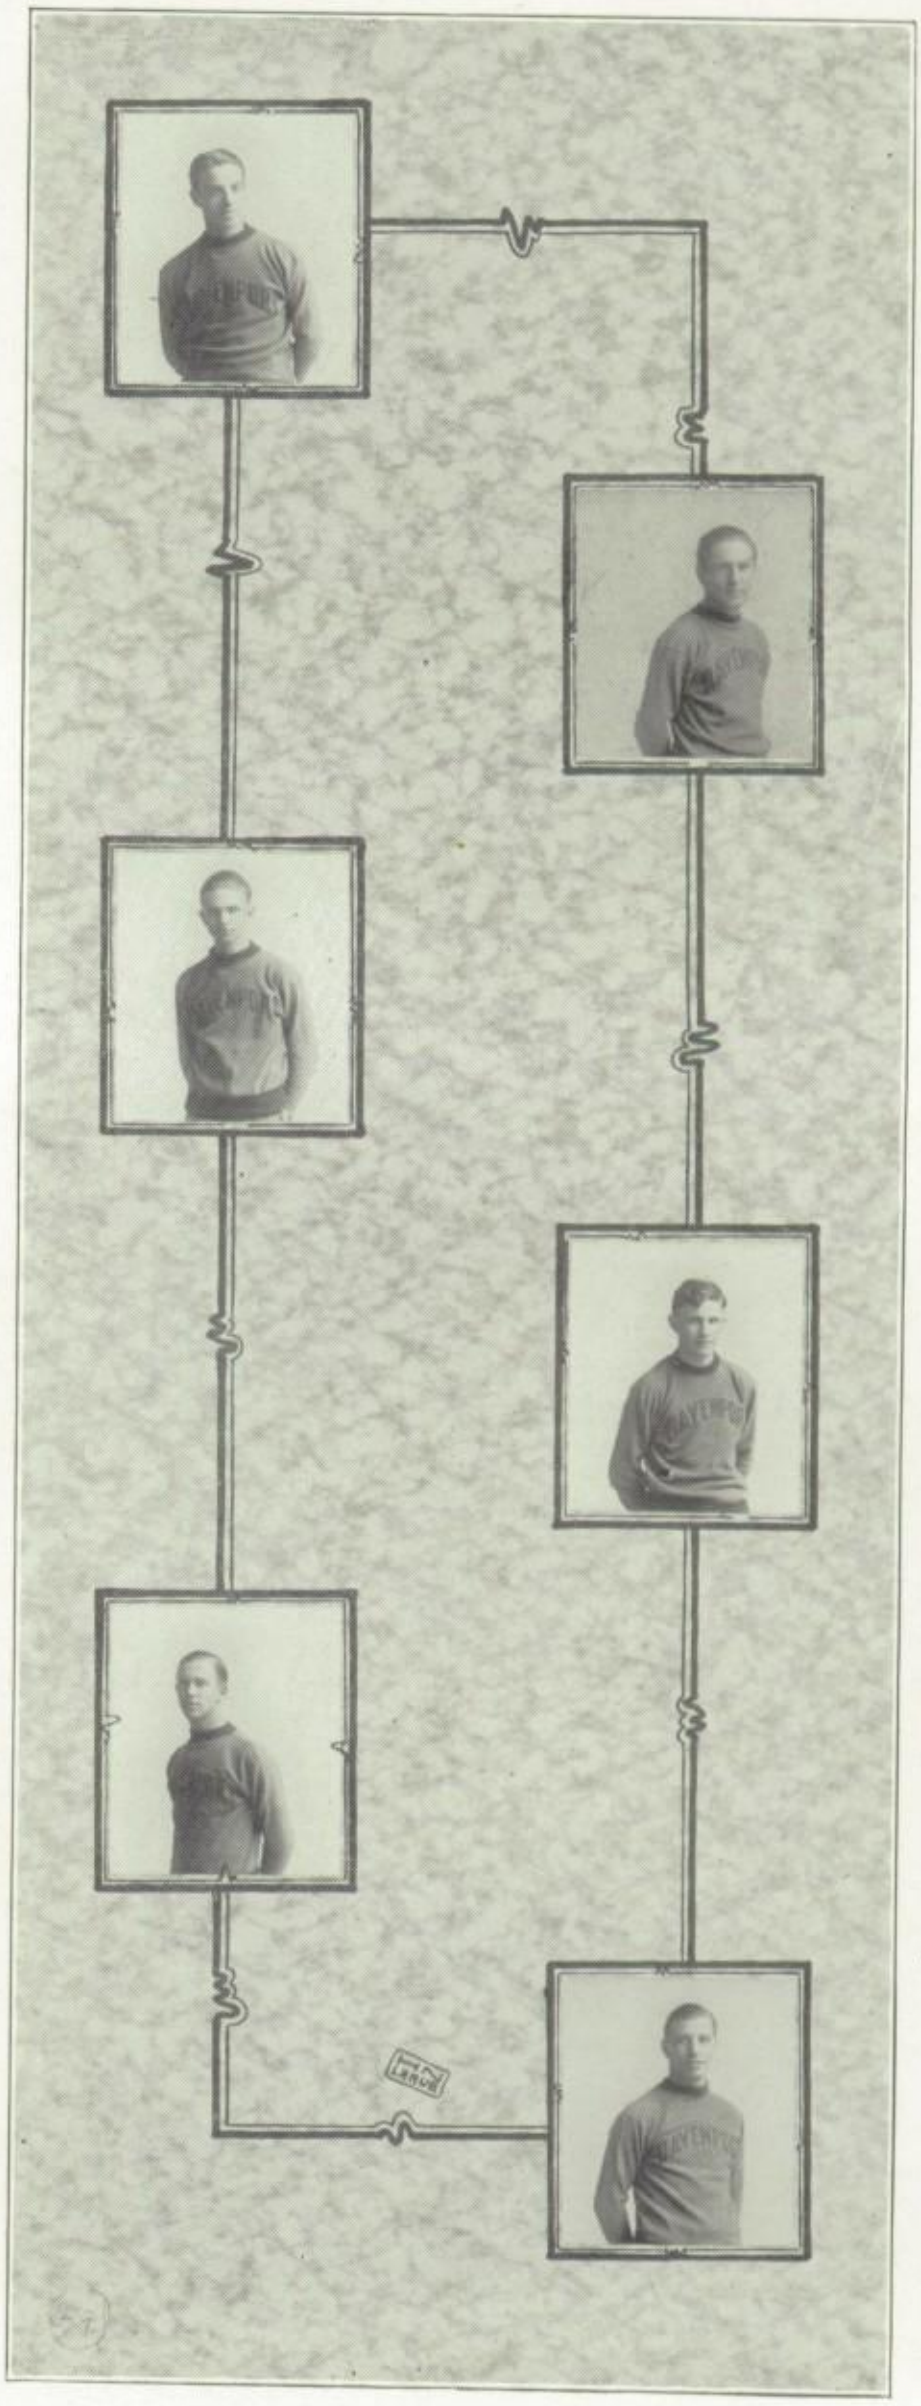
"Pete" playing his first season as a regular showed that he is capable of handling himself even in the most expert company. He is a small man but he had a lot of endurance which enabled him to be in the game every minute of the time.

MOBURG .....GUARD

George was a strong man on both offense and defense. He had a good eye for the basket and was a hard man to stop when he was dribbling. He covered the floor well on the defense and there were few men who succeeded in out-witting him.

MASTROGANY.....GUARD

"Gus" was a large man and he used his massiveness to the best advantage. He was exceptionally strong on the defense. "Gus" was a three sport man and his loss will be keenly felt next year.



Minor Sports

SWIMMING, tennis and golf received the lion's share of the minor sports this last year at D. H. S. These two events are rather new at high school and much enthusiasm has been shown in these lines of sport.

The D. H. S. was donated the use of the Y. M. C. A. pool and Mr. A. M. Roach, physical director of the "Y" was secured to coach the D. H. S. water aspirants.

The squad consisting of Liddle, Gordon, Corry, Pederson, Whalen, White, Crest, Naylor, Newell, and Murray worked hard and a very successful team was promised, only to learn that there was no competition near enough home for the Red and Blue to compete with.

The only meet entered in was the one with the strong Moline Y. M. C. A. team. Davenport emerged from this meet after submerging Moline to a count of 44-18.

Boyd Liddle, star swimmer of the Red and Blue entered in the Mid-Western A. A. U. Aquatic Meet held at Iowa City, November 19, 1925. He entered in the 220 yard free style, 150 yard back stroke, 220 yard breast stroke and fancy diving. He had to compete with some of the best swimmers in this section of the country. He took fifth in the fancy diving and qualified for the finals in the 150 yard back stroke. Much may be expected from this man next year as he is one of the most noted swimmers in Davenport.

In tennis, the D. H. S. players showed quite a lot of ability. In the match held down at the Credit Island courts twenty-five players entered. Howard Eckerman and Rex Denkmann reached the finals. In the final frame, Rex won the championship only after seven sets of hard tennis.

From this group of players, Denkmann, Eckerman, Shumate and Carroll were selected to form the D. H. S. tennis team. Much enthusiasm has been shown in this line of sport and in a few years it is hoped that tennis will take its place along the major sports, football, basketball and track at the Davenport High School.

In golf there was a tourney held on the Credit Island Links to determine who should represent the school in this department. The following men who compose the D. H. S. Golf Team all turn scores under the "80" mark. They are as follows: John Dow, Peter Otteson, Clarence Paustian, Roy Mohler and Morris Marlin.

Although none of these men are champions, they all turn in good scores and in the future ought to drag down a few trophies.

THE TRACK SEASON

TRACK athletics, the final one-third of the Davenport High major sports section, were not quite on a par with the other two sports, football and basketball, for the 1926 season. Last year, Davenport boasted of one of the best cinder-path outfits turned out in many seasons, but this year, with only one letterman, Tofanelli, on the squad, Coach Day's men did not rank so high.

In spite of this, the Red and Blue artists finished well considering that the great majority of the team was inexperienced. However, there are several things that stand in prominence for 1926. The first item, one that abounds with importance and which was brought about only by continual searching and interest-creating labor on the part of Coach Jess E. Day, is the mammouth squad of candidates which reported regularly at the new stadium for the daily grinds. At the initial call, nearly ninety men put in their appearance, but of course, as the season waned the rank and file decreased somewhat. Throughout the season, though, the local mentor handled between fifty and sixty aspirants for honors.

Coming to the second leading factor in the track year for 1926, one discovers that this season's team covets the paramount honor of inaugurating the new quarter-mile oval surrounding the football field. The track, in its first year, equaled some of the tracks in the state and in a few more years with careful nursing, the path will occupy a front seat for high school tracks in this section of the country.

Third and lastly is the fact that the greater portion of the squad will return for competition in 1927 and also, that nearly every member will be available material for the 1926 football team. At the beginning of the season, Coach Day stressed the interdependence of the track sport to the popular gridiron game.

Like last year, Davenport experienced only an outdoor season. But 1926 was the first year in many moons that a Red and Blue team did not compete for honors across the river. The Augustana Indoor meet was not held this year and the Big Eight in 1925 saw the withdrawal of Davenport teams from that sphere of competative sports.

The first affair for the local team was the Clinton dual meet on Saturday afternoon, May 1, at the new stadium. An extraordinary feat was accomplished that day, both teams amassing 68 points. It was a nip and tuck program all the way, the lead see-sawing until the concluding event. Davenport had Clinton's "goat," however, after the mile relay was run off, Davenport copping, as the locals held a five-point advantage over Coach Belding's men and the chances in the remaining relay, the half-mile, did not seem so base for the Hill topers; but relays will be relays and Davenport lost by ten yards to make a victory impossible and a defeat possible.

On May 4 at the Red and Blue field, Davenport entertained the Rock Island hordes in another dual encounter, which the visitors took by an 87 to 50 score. Coach Kimmel's men scored firsts in all but five events, and winning seconds and thirds right and left, their mark was never in danger, the local star taking first in the low hurdles. Mastrogany grabbed two firsts in the shot put and discus for high point honors for Davenport, Tofanelli place first in the javelin, and Merton in the high jump.

Then on May 8, one of the ten first State District Track and Field meets was held at Davenport. Eight High Schools from this district competed for honors that day at the Brady street field and Davenport led the pack at the completion of the meet with a total of 46½ points. Iowa City was Davenport's nearest competator with 27 points. University High of Iowa City, Clinton, Muscatine, Wilton Junction, Durant, and Columbus Junction finished in the order named. Coach Day had a team of 15 men entered in the big doings, whose united efforts were well-balanced enough to insure a local victory. Several marks were made on this day: Ralph Cozine of University High running away from the field in the mile run to cop in the time of 4:44.2; Burger of Iowa City High heaved the shot for a distance of 44 ft. 2¼ inches, which mark is likely to stand for sometime. Robert Brown, also of University High, stepped the century sprint in the fast time of 10.7.

The State Meet was held at Des Moines on the following Saturday but Davenport was not represented there, as Coach Day thought it more advisable to save the men for the Iowa University Invitational meet at Iowa City.

Saturday, May 22, Davenport went to Clinton for the invitational meet there and a team of two was sent to Mucatine for that city's invitational meet. At Clinton, the calibre of competition was just a little bit too strong for the Davenport team, the Red and Blue placing eighth with as many points.

The Season's Schedule

Clinton dual meet - -	**May 1**
Rock Island dual meet -	**May 4**
State Interscholastic meet -	**May 8**
Muscatine dual meet -	**May 15**
Clinton Invitational meet -	**May 22**
Iowa University Invitational Meet - - - -	**May 28**

Points scored: Clinton dual, 68; Rock Island dual, 50; State District meet, 46½; Muscatine dual, 99; Clinton Invitational meet, 8; no points at the Iowa University meet. Total: 271½ points.

The Team

R. O. T. C. Activities

THE Reserve Officers Training Corps of the Davenport High School has been in existence since the year 1919. During this brief period of years it has become quite a factor in our school life.

The past year's work in this department has been very successful. After some difficulty uniforms were furnished to everyone and on Armistice Day, the unit made its first public appearance. There were almost three hundred and fifty high school students in uniform marching in the parade and they were led by a band consisting of thirty-two pieces.

During the past year a new system has been put into effect by Colonel West. This system might be called a marking or a point system. It provides a certain number of points for each required military principle and at the end of the semester the grade depends upon the number of points.

Whenever the weather was unfavorable during the past year, regular classroom work was taken up. This work was conducted by Sergeant Carpenter. Recitations were made, just as in any other class and a record of the individual work of each man was kept.

The rifle practice was taken up by Sergeant Larson. In this work an effort is made to pick the men best suited and best qualified for firing on the R. O. T. C. rifle team.

This Rifle Team participated in two important matches this year. The first of these was the 7th Corps Area Match in which sixteen different schools competed, representing the states of Minnesota, Iowa, Missouri, Arkansas, North Dakota, South Dakota, Nebraska and Kansas. Davenport placed first in this match. William Burch was not only high point man on our team but was also the highest scorer in the Seventh Corps Area. The team also entered the National R. O. T. C. Match, and won eighth place. Peter Ottesen was high point man on our team.

On Monday, May 3, the Davenport Unit was inspected by Colonel A. B. Dockery, of Omaha, Nebraska. He has charge of R. O. T. C. affairs in the Seventh Corps Area. The inspection was not a very strict one and was given to each individual company in the regular drill periods.

Colonel West and his assistants, Sergeant Carpenter and Sergeant Larson have made a special effort to persuade more boys to go to Military Training Corps during the summer. The result has been very encouraging, in that a great number of the fellows have made application.

On Wednesday, May 26, the competitive drill was held at Vander Veer Park. The judges were: Col. Harry Ward, Col. C. R. Terry, Decker French and Lieutenant L. M. Eckland. All of the men were thoroughly capable to decide on the winning company. However they had some difficulty because the companies were fairly evenly matched but their final decision awarded first honors to Company F. This company exhibited an excellent drill and well deserved its reward. It was led by Cadet Captain Peter Ottesen.

On Monday, May 31, the Davenport R. O. T. C. of 1926 appeared for the last time as a unit. The occasion was the Decoration Day parade and the boys put over an excellent drill. The band led the marching and played some good, snappy music.

MR. KEIBER

"THE year's record and the general interest of the students again justifies the policy adopted some years ago, of using as many members of the classes in interscholastic contests as the number of contests and the standard attained by individual students permits. Nearly one-half of those enrolled in the course have had the opportunity to represent their school in some interscholastic contest.

"A new incentive to achieve excellence and an additional means of attaining that result is now available in the newly adopted annual oratorical contest of the Iowa Nine Association. This gives a well-rounded list of events to make a well balanced course.

"The generous support of the student body and faculty, the co-operation, enthusiasm and hard work of the public speaking students has added another successful link to the chain of excellent years in D. H. S. forensic history."

A. E. Keiber.

Public Speaking Activities

THE Public Speaking Department of the Davenport High School has completed a most successful season this spring. During the past year our speakers have participated in declamatory, debating, extemporaneous speaking and oratorical contests with many other schools. In the Iowa Nine Association Davenport received a plaque for first place, according to points earned in three various ways; Iowa City and Fairfield tied for second and third places. In the other activities of the season, we have received high rank. In accordance with the custom, the individuals who have shown themselves sufficiently valuable in participating in these contests, have been awarded letters.

One of the most outstanding stars of the year is Miss Virginia Wingert who was awarded a gold "D" as school representative in the Iowa Nine Girls' Declamatory Contest, at Clinton, in which she took first place. Her victory there added five points to Davenport's standing in that association.

The other members of the Public Speaking Department who met the qualifications were given the standard letters. Their services were of various natures. Marlin Hakendorf was a member of the Boys Declamatory Teams and the school's representative in the Boys' Iowa Nine Declamatory Contest at Burlington. Murray Ley was a member of the Declamatory and Extemporaneous Speaking Teams and the school's representative in the Iowa Nine Extempore Speaking Contest at Clinton. Horace Miller was a member of the Extempore Speaking Teams and second affirmative speaker on the Debating Teams. Emil Plambeck was a member of the teams in oratory and declamation and second negative speaker on the school Debating Team. Grant Barber was a member of the Declamatory, Oratorical, and Extempore Speking Teams, as well as first negative speaker on the school Debating Team. Arthur Hoepner was awarded a letter as a member of the teams in Declamation, Oratory and Extempore Speaking, and was also first speaker affirmative on the school Debating Team. Neal Rohlfs won a letter as a member of the school teams in Declamation, Oratory, and Extempore Speaking and was first negative speaker on the Debating Teams. A letter was given to Howard Littig as a member of the teams in Declamation Extempore Speaking and Oratory and as second speaker negative on the school Debating Team. James Carroll was a member of the Declamatory Extempore Speaking, and Oratorical Teams and was leader of the negative on the Debating Teams. Loris Thomasson was a member of the school teams in Declamation, Oratory, and Extempore Speaking and the second affirmative speaker on the school Debating Teams. Jack Vollertson was a member of the school team in Declamation and Extempore Speaking and was school representative in the Iowa Nine Oratorical Contest at Davenport. He was also the leader of the affirmative on the Debating Team. Rolland Maack, a member of the school teams in Declamation, Oratory and Extempore Speaking, the affirmative leader of school Debating Teams, and the school's representative in the District State Extempore Speaking Contest at Centerville. Edward Carmody was a member of the Declamatory Oratorical, and Extempore Speaking Teams, the first speaker affirmative on the school Debating Teams, and the school representative in the Oratorical Contest on the Constitution of Davenport. He was also a member of the Oratorical Declamation Team, thus surpassing any other member of the public speaking classes.

Honorable mention was accorded to Albert Dawson, William Vita, and Rex Denkmann, who made two of the three teams necessary to secure a letter. Many others, through interest and diligence have helped to raise the standards of the teams offering strong competition for places.

The Davenport Debating Teams were defeated in the Iowa Nine Association by Fairfield, although our points were sufficient to give us second place over Iowa City. The other Debating Teams had a completely successful season. In a dual debate with Geneseo, Davenport won both affirmative and negative. In a triangle debate with Rock Island and Dubuque, our teams won again.

Of thirty-two contests entered by Davenport teams, we won first place in twenty and second in seven. In view of the large number of participants in the contests, we may truly look upon our record as worthy of pride and a goal of achievement.

Dramatics

LOUISE K. ROSS

"THE work of the Dramatic Club becomes more interesting each year owing to increasing enthusiasm on the part of individual members. We feel that this has been a progressive year as we have begun work in stage craft. We intend to emphasize the crafts end of our work in the future in order that the tasks of Craftsman and Actor may be of equal quality. We are loosing some valuable members through graduation, among them a most efficient president, Murray Hickey Ley who has helped to maintain artistic standards in the organization."

Louise K. Ross.

Music Study Club

THE Music Study Club of Davenport High School has just completed its most active year since it was organized.

The officers of the Club are:

President .....Marie Yandell
Vice President .....Clarence Richardson
Secretary .....Walala Betz
Treasurer.....Frances Gene Garstang
Program Chairman.....Dorothy Rascher, Miss Thomas and Mr. Gannet

The Chief Advisors of the Club are greatly responsible for the fine programs produced this year.

Many programs were enjoyed by the school consisting of outside talent as well as the talent in the school. The Music Study Club has worked hard to bring out the fine talent which is in our school.

This Club has been one of the most active in the school the past year. The following is a list of the school talent that has appeared before the school.

Lois McDermand .....Pianist
Beatrice Struck .....Pianist
Mildred Coleman.....Soprano
Marguarite Helwig.....Flute
George Bischoff.....Voice
Fred Hackett.....Trombone
Harry LaRue.....Cornet
Elizabeth LaRue .....Pianist
John Behrens.....Violinst
Velma Behrens.....Accompanist
Beatrice Vogler .....Accompanist
Gertrude Cook.....Soprano
Jack Shumate.....Pianist
Frances Garstang.....Voice
Edward Crowder .....Ukelele
Dorothy Rascher .....Violinist
Mildred Paarmann .....Violinist
Claire Paarmann .....Cellist
Elizabeth Haines.....Voice
Janice Miller.....Pianist
Rosalie Murphy .....Violinist

The outside talent that has appeared before the school under the auspices of the Music Club is Mrs. Charlotte, Anderson, Warren, Vocal Recital; Boys' a'Capella Chorus of West Intermediate School directed by Miss Keeler; Mrs. Elsie Haak Schroeder, Piano Recital; Mr. W. A. Par appeared with Quartet.

Peter MacArthur, Nat Osman .....Popular Selections
Little Jack Little.....Popular Selections
Schmidt Music Co. Orchestra and Assisting Artists.
Mr. Richard Low.....Chinese Baritone
Donald Keller.....Voice
Lewis Wareham.....Voice
Harold Puls .....Voice
Louis Crowder .....Pianist

DAVENPORT HIGH SCHOOL PAPER

VOL. IX. NO. 10 THE BLACKHAWK—THURSDAY, MARCH 18, 1926 4 PAGES

RIFLE CLUB IN WORLD-RECORD JUNIOR MATCH

Are Informed By Washington That They Shattered 4—Position Marks

FIVE PERFECT MARKS

Pictures Are Requested For National Rifle Publication

TRY TO BETTER SCORE

Twelve Matches Won, Five Lost Is Seasons Record

The Rifle club has been informed, through the manager of match at Washington, D. C., that its score in the match with Crosby High of Waterbury, Connecticut, was the highest ever made in a four position match by a Junior unit. It is certain that Davenport now holds a national record, if not an international one, for a four-position match on the N. R. A. J. R. C. target. The score was a possible 500 points, with 91 shots in the "X" ring. Nick Dodaro, Stark, Ottesen, and Hirsch were the men who shot perfect scores of 100 each.

Instructor Dickert has been requested to send a picture of themselves for publication in the "American Rifleman." In a short time, therefore Davenport will be known nationally as the town with the straightest shooting Junior club in the United States.

It is likely that this record will stand for some time, especially Smith's and Ottesen's records with 10 out of 10 A's. All the members of the team will try hard to better this score in their match with Cleveland High School of St. Louis, scheduled for this week, which will be shot in four positions also.

So far this season twelve matches have been won and five have been lost. In the near future this percentage will go up if the present shooting of the team continues to any indication. In a match last week with Hobart School, of Lake Hobart, New York, the team turned in a score of 99 A's, a mark not against Prosser, California, a score of 96 A's was made. These matches, were all shot in the same position.

A special challenge was recently sent to West Waterloo High. No reply has been received as yet, but if a match is scheduled, Davenport is likely to come out on top. Last year West Waterloo won by 988 to 973.

Any boys who are interested in rifle shooting will be welcomed at the Arkwright school Monday or Thursday evening at 7 o'clock.

FRENCH CLUB IN BIG INITIATION

Take In Thirteen New Members In Initiatory Proceedings

On March 8, the regular meeting of the French club was held in Room 19. The president, Miss Ione Waterous, turned the meeting over to the program committee, which consists of Margaret Ehrgreen, Marjorie Barnes, and Charles Woodard.

Those students arranged the initiation for the following new members: Bertha Alter, Lucile Burt, Mildred Clapp, Katherine Hayward, Esther Heine, Marjorie Holmes, Elizabeth La Rue, Janice Marlett, Louise Petersburgs, Frances Sickert, Carma Schneider, Shirley Spencer, Katherine Weed, and Charles Woodard.

Many interesting events were performed by the initiates. Each counted, read, recited, gave a game, a description, or an essay in French.

After the business meeting, ended. Enrolled by the 12 A French class of the eighth period, was served.

BILLY STIFF "Allow Me—" By Alexander

VOCATIONAL MEET ATTRACTS MANY

Forty High School Girls Hear Five Good Talks

At 2:30 o'clock March 5, a vocational conference was held under the auspices of the Davenport members of the American Association of University Women at the Y. W. C. A.

The audience was composed of approximately forty High School girls and the women in charge of the affair.

Miss Clara L. Crane spoke on Nursing, Welfare and Social Service. She maintained that a wide field is open to the girl who is interested in helping the weak. She only is earning limited to private work but public as well. During training the girls receive enough salary to cover incidental expenses. A high school education is very necessary to nursing training.

Miss Eleanor Bracken spoke on Business Opportunities for Girls and Women. Girls and women in America have many, many opportunities compared with those of other nations. She bases this from experience. "Study hard the field that seems to be 'your calling'" was the substance of her speech.

Miss Eleanor Ridler was the last on the program. Her talk on The Possibilities of Library Work was most interestingly presented. Through the various branches in which a girl may specialize, library work should prove interesting to many girls. The end of training is approximately $1200 a year. A high school course and actual experience in a library are the requirements.

Miss Agnes Peverly, art instructor at the J. B. Young Intermediate school, gave an interesting talk on Commercial Art. This field is very difficult to enter, and financial aid in memorial affairs a person is through school. Competition is keen, and the work must be constantly good before it is accepted. To succeed, a person must have training, experience, and perseverance.

Mrs. Ida B. Smith, president of the National W. C. T. U., related experiences from her life and told about the standards and he ideals an American should and could have.

It is certain that the girls present could not help but gain some idea or inkling of the possibilities there are for each.

SENIOR CLASS IS PLANNING NOVEL SOCIAL EVENT

For the first time in the history of the senior class, the members are planning a hop. The class always operates the football dance for a senior hop is something of together now.

The dance is to be given at the Shrine club, Friday evening, April 30. It will be one of the biggest events in the High School year.

Tickets will be on sale soon, and may be purchased from any member of the social committee for one dollar a couple. Neither the orchestra nor the decorations have as yet been decided upon.

"Those Who Want To Be Educated Keep Away" Is Fatally Advice

Oh boy, but it sounds good. What! The gang the faculty advisers of Student club are putting on Lyceum—"The Faculty on Broadway"! Doesn't it sound interesting? Here's the dope: "It is not to educational but purely entertaining and a bit frivolous." As one member of the faculty said, "Those who wish to be educated should stay away."

This is all the more that will look out, but it's enough to make one interested.

It will be fun and very amusing, so everybody out! All this is August at the Student club meeting of Thursday, March 18!

MANY STUDENTS WIN HONORS IN COURSE OF BOOKKEEPING

The following are the names of the successful students who passed with honors a test in the four fundamental operations, abstracts, decimals, commercial fractions, and rate discounts submitted to Mr. Byers' 10 B and 10 A bookkeeping classes, using Rhinow calculating machines. Those who made a grade of 100% or over were awarded free lessons, those who made a grade of 98% or more, second class honors. Speed and accuracy were both taken into consideration in rating the candidates.

The number of successful students in this test is considerably larger than heretofore, showing the growing interest on the part of the students in this work. Further tests will be given each month for the remainder of the semester. The course appear in order of merit.

10 B. Class, Periods 1 and 3.

First honors:
Wm. Rehde,
Everett Smith
Roy Mohler
Alda Kaufmann

Second honors:
Dorothy Blacker
Vera Thiele
Katherine Hills
Eleanor Lindsey
Evelyn Franzen
Hazel Touchstone
James Clay
Margaret Gastrang

TRI-CITY SPORT DOPESTERS PICK MYTHICAL TEAM

Mosier Awarded Captaincy of Tri-city Dream Quint

D. H. S. GETS TWO PLACES

Moburg Also Lands Berth on All-star Basket Aggregation

R. I. TWO; MOLINE ONE

Davenport Cleans Up On Second Team, Taking Three Positions

Player	Position	School
Mosier (C)	R. F.	Davenport
Saterdahl	L. F.	Moline
Wilhelm	C.	Rock Island
Moburg	R. G.	Davenport
Cranwell	L. G.	Rock Island

Second Team.

Tofanelli	R. F.	Davenport
Sewell	L. F.	Rock Island
Muth (C)	C.	Davenport
Mastrogany	R. G.	Davenport
Gunnelagen	L. G.	Moline

Here is the Blackhawk's selection of the Tri-City High School basketball team as picked by several local sport critics. Captain Walter Mosier was given the captaincy, while George Moburg was given a guard berth on the team. On the second team three of the local men were picked.

Mosier was made captain of the Tri-City team because of his ability to manage the team. It was on account of Mosier's leadership that more than one local game was won. Walt played on the basketball team for the past three years, this is a good record because it is not very often that a man can make the team the first year he enters High School. There is no doubt that Mosier is the best forward in the tri cities. It was because of his ability to handle the ball, his accurate shooting, and his tricky floor work, that Mosier placed so high in the minds of the tri city fans.

Saterdahl of Moline is a good running mate for Mosier. Saterdahl is the outstanding player on the Moline five. Although Rock Island defeated Moline twice during the season, Moline came back in the state tournament and defeated Rock Island. A lot of this work is given to Saterdahl as he scored 17 points.

Captain Wilhelm of Rock Island had but the center position reached. Wilhelm is the man for more than one Rock Island victory. It was Wilhelm who in the last few minutes of play tossed in the basket to defeat Davenport when the Hustlers were played over at Rock Island. Wilhelm's height gives him an advantage over opposing players.

George Moburg was given the right guard berth because of his ability to play the part of the standing guard. It was on account of Moburg that Davenport had

(Continued on Page 4)

Davenport Debaters Cop From Rock Island In Contest Tuesday

Tuesday, March 16, the negative team of Grant Bailey, Emil Plambeck, and Albert Bekkala, leaders, defeated Rock Island in another debate on the selective question. The debate was held here. At the same time Rock Island defeated Dubuque at Rock Island, on the same subject.

Tomorrow the deciding contest of the series will be held in Dubuque. Davenport's affirmative team, consisting of Edward Carmody, Bonnie Miller, and Richard Mauck, leader will travel there, and if they are successful, they will win the triple series. If they lose, the winner will be decided on points.

$158 IS AMOUNT DRAWN FROM STUDENTS FOR P. S. DEPARTMENT

The pledges for support of the public speaking department were very successful, the total amount collected on Tuesday, March 16, being $157.78.

In response to speeches given at the general assembly on Wednesday, March 10, urging students to support the public speaking and the oral expression department, forty-seven subscribed themselves on the next day.

The following is the list of contributions and the number of pledges made by each homeroom.

	Pledged	Present	%	Amount
Room 11	31	27	66	$ 4.50
Room X	120	100	61	10.00
Room 5	88	103	60	15.25
Room 6	140	108	55	20.34
Room 9	101	104	69	40.00
Room A	222	202	69	30.00
Totals	1083	1215	66	$167.79

Room A leads in the amount contributed, while B (no A for the number of pledges given, as may be inferred from the above list, B, also, has the highest percentage, 69 per cent, A being next with 66 per cent. About 34 per cent of the whole student body, present, contributed.

The money will be used to defray the expenses of the debating team, such as hotel bills, transportation, and a few meals. Expenses will also be incurred in the girls' declamatory work and in the extemporaneous speaking contest together with the oratorical contest.

Mr. Keller and his pupils have been doing some fine work in the debating line and their teams merits the united support of D. H. S. students.

The debating season is in full swing.

On March 5, Grannell's negative team lost to Davenport's affirmative team, composed of Edward Carmody, Horace Miller, and Richard Mauck, leader. The debate was held here.

March 5, the D. H. S. negative team, made up of Grant Bailey, Emil Plambeck, and Albert Bekkala, leader, defeated Grannell at Geneseo. Both debates were on the same question.

KORN TALKS TO SCIENCE CLUB

His European Travels Furnish Interesting Discussion

"Europe," was the subject of a talk given by Mr. Korn, well known business man of Davenport, before the Science club, in the science lecture room, at 3:45, Friday, March 12.

Mr. Korn confessed the members of the club throughout England, Belgium, Holland and France. As he talked, the scene which he depicted was flashed on the screen.

While in England, Mr. Korn visited several medieval castles which are now very scarce throughout the isle, many having been demolished by Cromwell in the seventeenth century.

The famous river, Thames, extends for its share, and the place where Oxford arena gondolas was shown.

The famous abbey, built by St. Paul's church in London. It seems that the foundation of this edifice has settled alarmingly due to the constant shocks produced by heavy dray trucks in passing on the pavement.

England's quaint, old castle cottages with their ivy, edging thatch roofs were naturally discussed. Shakespeare's home and that of his sweetheart were also shown. Shakespeare's home is now a museum and sustains a chair there possessed by the great dramatist himself, which is supposed to give inspiration to those sitting in it.

Mr. Korn then turned toward Belgium. The curious guilt buildings were pointed out. These are set, occupied at present, but are kept in relics. King Albert's chalet was described as a very majestic building and having many spires.

Holland, that little nation of wheat, sea faring people, was next visited. Mr. Korn was very enthusiastic about the beauty of the Dutch belt farms which are a mass of glorious color. He expressed the wish, "If only more plant stunt like Burbank could produce a bulb combining the true colors and the Dutch hoe-cock, so that, while returning the mowing utility of the area, the fragrance of the hyacinth would be upon your breath after eating!"

The speaker took up in detail, aided much by illustrations, the picturesque Dutch costume. The boys and girls dress the same as to the age of six when the girl dons a hoop rag, thus producing a

TRACK SCHEDULE NOW GIVEN OUT BY COACH DAY

The first meet will be the cross meet, held on the new field, on April 17. One week following this, a dual meet has been scheduled with Rock Island at Davenport and on May 8 the state sectional meet will be held here.

May 15, the state meet at Iowa Wesleyan, and May 29, the Iowa U. Invitational meet are the other meets that have been signed for Coach Day's men.

DAVENPORT ENDS CAGE SEASON AT TOURNEY

Newton Eliminates D. H. S. in Semi-Finals, 26 To 18

OSKALOOSA FALLS 24-18

Moburg And Mastrogany Play Last Games At Tourney

GRAY DEVILS FALL

Men Play Good Brand Of Ball At The Tournament

Moburg and Mastrogany played their last games of basketball for D. H. S., while Capt. Mosier and Mark Sandhal their last B-ball season of this sport under the Red and Blue colors when they played Newton in the district tournament at Grinnell on last Saturday. Capt. Mosier and Mark will graduate in the mid-year next year, therefore leaving them very the last few games of the season in which to participate.

Their final game resulted in the elimination of the Davenport team from the fighting ranks for state championship. The defeat came in the semi-finals after the Red and Blue team had eliminated Dubuque by a 28 to 10 count. As Dubuque was considered one of the leading teams of the tournament.

The Newton-Davenport game, ended in a 26 to 18 count. The Newtonites led the entire Davenport the game but were outscored, several times by the Hawkeyes, only to take the lead again.

The Newton team defeated Washington High on the same day and gained the right to represent the Southeast district in the finals of the State championship tournament.

Davenport gained the right to enter the tournament at Grinnell by topping all teams in the sectional tournament at Muscatine the week before. The Red and Blue team met Wilton, Iowa City, and Muscatine in this tournament, taking them all in good style.

The Muscatine game was one of the fastest the team played this season, in fact the game was not won until the last report of the gun was heard. The Red team found Davenport leading by a six point margin. This was caused by some fast and clever work of the team in the final minutes of play. Muscatine made a basket for two minutes after dribbling the length of the floor. Moore tossed in a free throw, and Hirsh placed the final count-one in the basket when he followed up a long shot with but a few seconds to play.

STUDENT CLUB TO SELL EASTER EGGS

Twenty-five and Forty-Five Cents per Dozen Are Prices

Small Brothers and Sisters Can Be Made Happy.

Here's a chance to please a little brother or sister, or to make some neighbor child happy!

The members of the Student club are taking orders for hand-colored Easter eggs. They will sell for forty-five cents a dozen or twenty-five cents a basket. The baskets, which will be filled with these colored eggs and some candy eggs, will be very attractive.

Orders can be left with any member of the finance committee, whose names appear below, and the eggs will be delivered before Easter.

Finance Committee.

The man she loved last year.

III

The man she fooled.

IV

The man she loves.

V

The man who loves her.

VI

The man who doesn't love her.

VII

The Boob she marries.

NOT SO BAD

Bow: "Yes, I once had a notion to marry Gladys."

Wow: "What put the notion out of your head?"

Bow: "Gladys."

WHY?

The Girl—"I didn't like the way you smiled at that girl over there."

The Boy—"Neither did she."

ONE FOR VOL STEAD

And Gump: "Not going to the Prom?"

Uncle Bim: "Nope, I've sworn off."

Andy Gump: "Me too, but let's dance without it."

"There are jokes that make us laugh,
There are jokes that make us groan,
But the jokes that seem most funny
Are the jokes that are my own.

—George Duvall.

PLAY BY PLAY ACCOUNT OF GAME, JUNE 4TH

(Mob Assembles Early.)

"Doc" Wrixon's eight-piece band comes on the field playing "Dardenella." Entire crowd arises and claps as they approach the Stadium. Prom team trots out on the floor led by the dashing Soller. Lineup for Signals. In practice Richter calls the signals from left half. It is reported that De Armand has a bad eye which will interfere with his whirling, swinging attack. Miss———, his running mate is plainly married. Dawson calls a conference. Orrick explains that he has left his arch supports at home. No opposition shows up so they decide to choose up sides and play.

On the flip of the coin it was decided that the band play, "Home Again Blues" on the kickoff. With a sweeping crashing start Hanssen kicks off. Lage comes down the floor on a double-shuffle pushing his lady friend in fine style. Soller comes next with good interference before him. Dawson breaks into the limelight by holding his lady's shirts rather high. DeArmand attempts to double-shuffle but is thrown for a loss when the chaperons call him for Charlestoning. Rush comes down the field yelling madly. Play halted. On inquiry it was found that this was Rush's natural position. Howe tries it. He gets away for a thirty-step gain. Everybody pushing hard at the end of the first half. Score 0 to 0.

Between halves Hanssen hits the long trail for the sticks. Rumor has it that his interference left her vanity case home. Richter leads grand push to Maher's.

Lage comes back looking fresher than he did the first half. Goes over and kids the band leader. Wrixon's boys start out playing "Poor Papa." In the mad rush, Lage forgets step number two and his support almost falls. Orrick, with his head down, comes pushing along while his friend gives him perfect interference. Game becomes wilder and rougher, louder and funnier. Vollertson calls twice out—the strain is too great.

Produces comb and replaces misplaced hair. Crowley tells the boys he is up there to get a story for The Blackhawk on the students' loan fund. All of them chuckle and chip in a quarter for the starving students. Hostilities resumed.

By magnificent stiff-arm work and tearing five hair nets, Richter goes the length of the field for a 90-yard gain. Whistle blows.

Score 0 to 0 with Hanssen $9.85 (including war tax) ahead.

"Do you think colleges turn out the best men?"

"Sure, they turned me out my first year."

She—"What do you fellows talk about after the dance?"

He—"The same things you girls talk about."

She—"Oh! You horrid things."

"Bill's lost his hat again."

"How do you know?"

"I can't find mine."

Wet—"Where is Nellie tonight?"

Dry—"She caught colt in her bear calf and she's too horse to speak."

Wet—"I believe your lion."

Bill—"Can you swim?"

Jack Soller: "I don't know."

Bill: "Why not?"

Soller: "I always sink before I find out."

"I hear a swimmer is suing his wife."

"I see—a bathing suit."

"What's your idea of a brave man?"

"A boy who goes to Colletti's class with golf knickers on."

"It's a good thing for Orrick that the looking-glass can't laugh.

Cable—"There's something in my shoe that hurts."

Shumate: "What is it?"

Cable: "My foot!"

Kate Clausen: "I have a book you ought to read, my dear. Shall I lend it to you?"

Bus Armil: "Heavens no, I can't even find time to read the books I ought not to."
